

Make A Memory Poster

AND KŌRERO WITH A LOVED ONE

*Learn more about someone in your
whānau by creating a memory poster.*

STEP 1

Kōrero with the eldest person in your whānau, asking:

1. What is your full name?
2. What is your earliest memory?
3. Where did you live at my age?
4. Growing up, what was your favourite kai?
5. And what were your favourite games?
6. What are your happiest memories?
7. What is the most important thing I need to know about growing up?

STEP 2

Now you have all the information you need to make your memory page, or poster!

You could tell a story, draw a picture, write a poem or make a collage using photos and images.

Share your poster and the things you've discovered with your whānau.

***He kanohi kitea he hokinga mahara
A face seen a memory stirred***
